

Whole School Expectations

W.P.S. Staff will...

C

show **Compassion**

This means staff will:

- show empathy to others regardless of race, culture, religious belief or social status
- comply with Duty of Care obligations
- develop positive relationships with all students and staff

A

Achieve

This means staff will:

- develop high expectations and challenging activities for all students
- implement preventative and early-intervention strategies
- reflect on their teaching practice and professional development to maintain best practice on an ongoing basis

R

Respect

This means staff will:

- always be positive role models
- develop positive relationships with all members of the community
- work cohesively in supportive teams
- will consistently follow Departmental expectations
- maintain a healthy, learning environment

E

Engage

This means staff will:

- provide an inclusive, meaningful challenging curriculum
- provide a positive, educational environment that effectively engages all students
- actively participate in professional conversations
- actively participate in whole school activities
