For us to be successful in holding this event we need your help!

We need at least 4 helpers on the stall at all times throughout the day.

We are also seeking donations of serviettes and foil trays, which can also be handed into the office at any time between now and the BBQ.

We will confirm your preferred time as soon as we can fill all time slots.

Please return form to school office no later than Thursday 13th October.

Thank you
