

Whole School Expectations

W.P.S. Parents and Carers Will...

C

show *Compassion*

This means all Parents and Carers will:

- support their children in their preparedness for the school day
- provide a supportive home environment
- demonstrate acceptance and tolerance of all teachers, students and other families of the WPS community

A

Achieve

This means all Parents and Carers will:

- monitor their children's school involvement and progress
- communicate with the school when necessary
- encourage high expectations and value learning
- encourage their children to always strive for their best in all learning activities

R

Respect

This means all Parents and Carers will:

- be informed and supportive of all school programs
- actively participate in school events, parent groups and daily educational protocols
- demonstrate a respectful manner when engaging with all WPS community members

E

Engage

This means all Parents and Carers will:

- promote positive outcomes by valuing the importance of education
- liaise with the school on their children's progress/needs
- actively encourage their children to participate in every learning opportunity provided
