

CODE OF CONDUCT

All staff, volunteers and school council members of Wantirna Primary School are required to observe child safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.

- promoting the cultural safety, participation and empowerment of Aboriginal children (for example, by never questioning an Aboriginal child's self-identification)
- promoting the cultural safety, participation and empowerment of children with culturally and/or linguistically diverse backgrounds (for example, by ensuring a zero tolerance of discrimination)

- encouraging children to 'have a say' and participate in all relevant school activities where possible, especially on issues that are important to them.

Staff and volunteers must not:

- develop any 'special' relationships with children that could be seen as favouritism (for example, the offering of gifts or special treatment for specific children)

- put children at risk of abuse (for example, by locking doors)
- do things of a personal nature that a child can do for themselves, such as toileting or changing clothes
- engage in open discussions of a mature or adult nature in the presence of children (for example, personal social activities)

- discriminate against any child, including because of culture, race, religion, ethnicity or disability
